# Union Members SAVE on Wireless Service From AT&T

Dear Leader:

Help your members save by spreading the word about the **15% Union Plus AT&T wireless discount**, and **up to \$200 in rebates** they can qualify to receive from Union Plus.

With **45,000 union members**, AT&T is the only national unionized wireless provider.

Through Union Plus, nearly 250,000 union members are already saving on select calling and data plans from AT&T. However, many other members are either paying full price or using a non-union wireless provider like Verizon, Sprint, Credo or T-Mobile. Help spread the word about the Union Plus AT&T discount and rebates, and urge your members to stand in solidarity with their brothers and sisters at AT&T, the only national wireless union company.
